

Greetings U.S. District Judge
Honorable Patrick J. Schiltz.

I would like to ask for mercy from you and
the United States of America. Requesting
compassionate treatment of the unfortunate.
Please will someone help a poor Mother's son?

My life has been a struggle since the death of
my father, who to me was like a best friend.
For the past 30 years I have let myself and my
family down. I've been a selfish pompous fool
who has felt he had nothing to live for.

Until now. For the first time since my father
passed away I feel like my life has a purpose.
My girlfriend Samantha Ellen Schaaf is six weeks
with child. My Daughter Brianna Kystle August
will have her child in the Month of April, upon the
20th.

I have been an empty Man without any sense
of love and family for so long at 43 years old
if there's a last chance this is it. I understand

I have done wrong and need to take
responsibility for my actions. I will do so.

I feel there was some conduct issues with
my last Probation Officer Kelly Mosher. I in
no way excuse any of my behaviors with
this. Anyone can see the complete change in
my behavior shortly after her being
assigned to my case.

I can only hope someone sees this and can

understand their became a trust issue between Ms. Mosher and myself I feel if I was able to ask for help then I would have. I'm an adult who should have been held accountable for my actions right away. There have been mistakes made but in the end I have to be the one to pay the price.

Your Honor I want help! I have also sent a letter to Mr Blanding with hopes of him coming to speak with me. I have sent my application into Minnesota Adult & Teen Challenge Program. The Minimum time for this program is 13 months It's faith based and very intense There reputation speaks for itself and I know with this structure and guidance I can make it and be there for my family. I have also requested to Mr Blanding if he questions my sincerity to extend my Probation for 20 years or even life. will you please hear my plea I ask this in the name of the spirit and light.

Thank you

James Mosher
